India Holiday Calendar 2026

RAG test document • Indicative central-government-style holiday list

Purpose

This calendar is a demo dataset for testing a Retrieval-Augmented Generation (RAG) assistant. It lists widely observed holidays in India for 2026, using central-government holiday listings as a reference. It is not a universal state, school, employer, or bank holiday calendar.

Important usage note

Holiday dates and closures can vary by state, institution, and local government. Islamic holiday dates may be revised according to official announcements or moon sighting. Verify the applicable official notification before using this calendar for travel, attendance, payroll, or legal purposes.
